THANK YOU FOR GOING THE EXTRA MILE

CAMP OTTER EMPLOYEE OF THE WEEK

GABRIELLA NUNES

- First week in a cabin and she preformed her job without the support of a co-counselor
- She came to work on time and appeared happy to be there every day
- You would have thought she was a seasoned staff member, but it is her first year
- She preformed her job not only safely, but she made the week joyous for her entire cabin
