

Kiwanis Club of Greater Lawrence 2017 Community Service Awards

The Merrimack Valley YMCA played host to the Kiwanis Club of Greater Lawrence 2017 Community Service Awards on June 7th. Among the Humanitarian Award winners was our very own Chief Operating Officer Frank Kenneally, who was recognized for his work here at the Y and as co-founder of a joint youth leadership development program called the CORE 4 Youth Summit in North Andover. Other Humanitarian Award winners included Manny Ayala, John Pearson, and Linda Soucy. Bill Fitzgerald was given a Lifetime Achievement Award. Congratulations to all winners who are an example to us all by strengthening our community through volunteering.
