

Here For Good

Capital Campaign for Lawrence YMCA Expansion Walter Kimball Athletic Center

Great communities have strong Ys that encourage good health, provide educational enrichment, foster connections through fitness, sports and fun and bring families closer together. Strong Ys have committed leaders that engage the community and welcome all its members. Led by **Walter Kimball**, our YMCA provided opportunities for kids and families throughout the Merrimack Valley to be part of something special. Through Kim's leadership, programs such as YBL, flourished at the Lawrence YMCA, providing kids an opportunity to develop new skills, build confidence and learn new skills.

As the Lawrence YMCA undergoes a transformation to serve more kids and adults, we invite you to make a contribution in honor of **Walter Kimball**. To recognize Kim's contributions to the community, the small gym will be renamed the "Walter Kimball Athletic Center".
