

# FIREFIIGHTERS SHARE A SPECIAL VISIT WITH YMCA'S LITTLEST LEARNERS!

Toddlers and preschoolers at the Methuen YMCA recently got the chance to meet Methuen firefighters Mark Abraham and Eric Moreau and check out Methuen Engine 4. This visit was part of an educational unit on community helpers. The children could ask questions and see some of the equipment the firefighters use to fight fires and keep the community safe. They also had the chance to explore and sit inside the fire truck.
