

A black silhouette of a person in a dynamic, expressive dance pose is the central focus. The person's arms are raised, and their legs are in a wide, lunging position. The text 'Y-ABILITIES & FRIENDS' is written in a bold, orange, sans-serif font, curving across the upper part of the silhouette. Below it, the word 'DANCE' is written in a larger, bold, orange, sans-serif font, also curving across the lower part of the silhouette. The background is white with scattered green, yellow, and blue leaf-like shapes.
